If you are not the intended recipient, please contact the sender by reply e-mail and destroy all copies of the original message.

IF JOINING FROM A COMPUTER:

1. Once the patient clicks the link in the email it will take them to a screen prompting them to download and run Zoom or join from their browser. The patient needs to **download and run Zoom.**

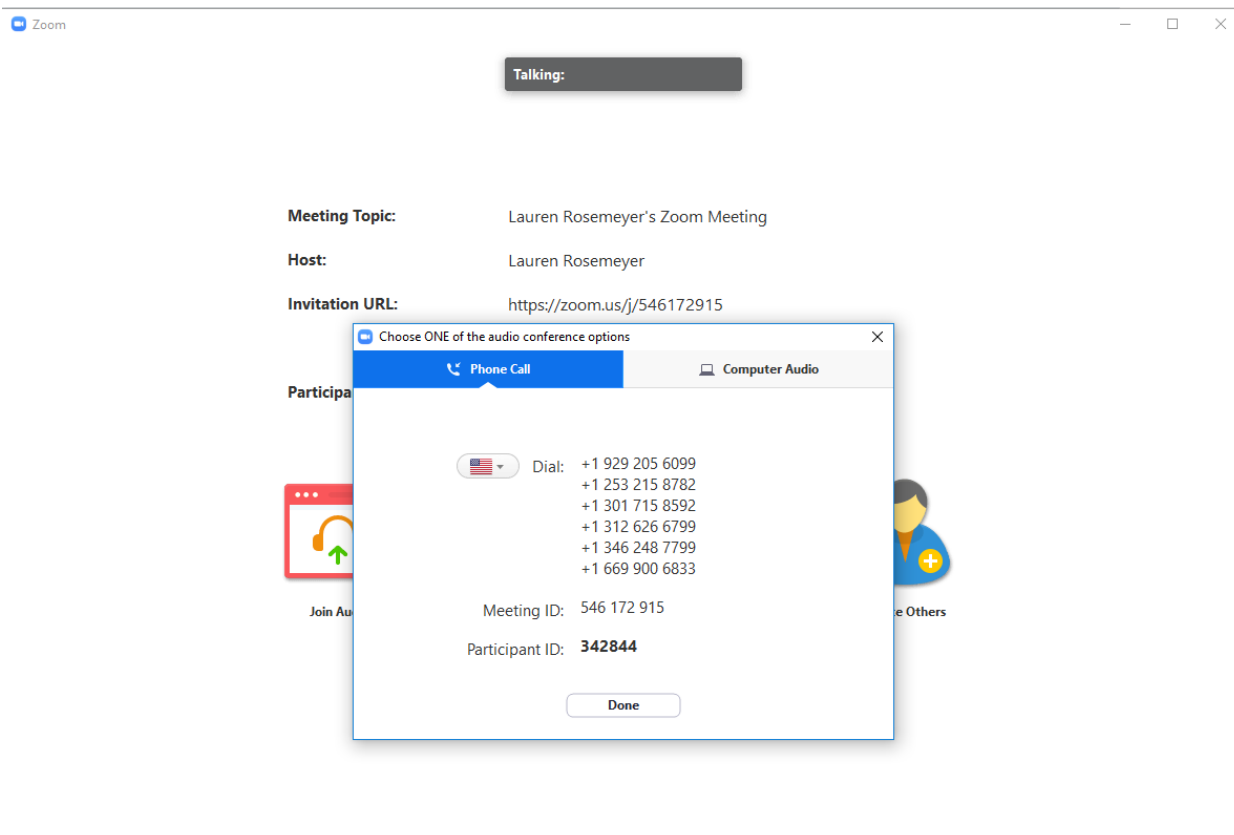

Launching...

Please click **Open Zoom Meetings** if you see the system dialog.

If nothing prompts from browser, [click here](#) to launch the meeting, or [download & run Zoom](#). 

If you cannot download or run the application, [join from your browser](#). 

2. The Zoom App will pop up with the meeting. You may choose to join audio via phone or through your computer.

3. You will need to be sure to also make sure you unmute their microphone and start video (bottom left corner)
